

**PRESS RELEASE**

**iM Global Partner Hires Peter Stockall, Strengthening its International distribution platform across US Offshore and Latin America Markets**

**Paris, London, Philadelphia, 10 December 2019** - **iM Global Partner**, a leading investment and development platform focused on acquiring strategic investments in best-in-class traditional and alternative investment firms in the U.S., Europe and Asia, today announces the appointment of Peter Stockall to lead sales in the US Offshore and Latin America region.

Peter, based in Miami, will enhance iM Global Partner's international expansion, spearheading the business development efforts in this very important region within the Americas. He will offer US Offshore and Latin America investors access to a wide range of strategies managed by the outstanding partners of iM Global Partner, ranging from US equities to liquid alternative strategies. Peter will report to Jose Castellano, Deputy CEO and Head of International Business Development.

Peter has 16 years of experience working for leading asset managers. Before joining iM Global Partner, Peter was responsible for sales of the Carmignac Mutual Fund range in the US. He spent four

years, between 2012 and 2016, as Offshore regional Sales Consultant for Pioneer Investments, where he was responsible for sales of offshore mutual funds and alternative investments to financial advisors across all channels in the Southeast, Caribbean, and Panama territories. Peter started his career at Merrill Lynch providing Financial Advisors with sales support and investment guidance in both New York City and Asia regions. Peter has also been part of the Oppenheimer Funds and Capital Group sales teams.

**Jose Castellano, deputy CEO and Head of International Distribution**, said: "I am delighted to welcome Peter to our international sales team to support our rapidly developing Latam and US Offshore platforms, which have already been in place for more than a year. His experience covering the Americas will be a valuable asset in helping to develop the operational distribution capability of our current and future U.S., European and Asian Partners."
